**LYNN JOHNSON**

Lynn Johnson has worn many hats at Riverside in her 20 years of service.

Most recently she traded in paintbrushes for library books  
as she transitioned to become the Media Center Assistant.

Her warm approach and kind smile gently encourage a love of reading that we want each child to develop. Lynn offers a helping hand to anyone who enters the Media Center. From laminating, to shelving books, to finding the “right book” no task is too big or small for Lynn to tackle. Every week she serves 468 RPDS students with skill, patience, love and grace. Thank you Lynn for sharing your talents with the RPDS community!
